DISCLAIMER

Chartifacts!

SINGLES – It really is the year of **Eminem** as he hits the #1 spot upon debut for the second time in seven months with his latest single **Lose Yourself**. This knocks **Delta Goodrem** back to #2 after just one week at the top. The only other improving act in the top 10 this week is from Aussie's **The Androids** with their debut single **Do It With Madonna** moving up one place to #8.

No.1 LOSE YOURSELF – Eminem. Yes he's back, back again – for the third time in his career and second time upon debut **Marshall** has reached the top of the ARIANet singles chart. **Lose Yourself** is not from his 5x platinum **The Eminem Show**, but from the soundtrack to his film project **8 Mile**. **Lose Yourself** has also reached the top in the UK this week to make him the most successful rap artist in the UK ever. He also made the Billboard 100 to go with his top showing in the Billboard year ending albums and singles charts.

No.13 FEEL – Robbie Williams. The UK's only bonafide pop star, **Robbie Williams** has released the first single from his platinum fifth album **Escapology**, titled **Feel**. This is a ballad accompanied by a black & white filmclip featuring movie star **Daryl Hannah** and debuted at #4 on the UK singles chart.

No.17 STOLE – Kelly Rowland. After an incredibly successful collaboration with rap star **Nelly** on the 2x platinum single **Dilemma** (#1, Oct '02), **Kelly Rowland** has stepped out on her own with her debut single **Stole**. **Kelly** is the last of the **Destiny's Child** trio to have stepped out on her own - but has certainly been the most successful (so far). Her debut album **Simply Deep** will be released next year as will her feature film debut in the slasher movie **Freddy vs Jason**.

No.22 THUG LOVIN' – Ja Rule feat. Bobby Brown. With hits collaborating with **Jennifer Lopez** (**I'm Real, Ain't It Funny**) as well as **Ashanti** (**Always On Time**), the so-called Prince of Hip Hop is back with a new track and collaborator. **Thug Lovin'** seems aptly titled for a collaboration with bad boy **Bobbie Brown** (ask **Whitney**) and is featured on **Ja Rule's** latest album **The Last Temptation**.

No.27 U TALKIN TO ME – Disco Montego. This time, the former **Kaylan** boys, **Dennis** and **Darren Dowlet** strut their stuff without the help of a guest vocalist and deliver a thumping groove track quite reminiscent of **Prince**. This is the third single to be taken from the self titled album and the third single to reach the ARIANet top 30.

No.34 WE'VE GOT TONIGHT – Ronan Keating & Lulu. **Ronan Keating** has teamed up with UK legend **Lulu** for his latest single from his platinum album **Destination**. **We've Got Tonight** is a remake of the **Kenny Rogers** and **Sheena Easton** 1983 top 20 hit. Although not reaching those heights here, this track peaked at #4 on the UK chart and is still in the top 10.

No.40 MISUNDERSTOOD – Bon Jovi. **Misunderstood** is the second single to appear from the New Jersey four's latest top 5 album **Bounce**. This follows the top 5 single **Everyday** and will be part of their set list when they appear as part of the Rumba festival touring nationally during December.

No.50 I DON'T THINK, I KNOW – Brooke McClymont. Aussie singer/songwriter **Brooke McClymont** had a top 50 hit with her debut single **I Can't Wait** back in July. This is the follow up single and will be featured on her forthcoming debut album which has been produced by **Charles Fisher** (**Savage Garden, 1927**). **Brooke's** sound is described as a combination of country rock and pop and will be featured on the new music stage during the touring Rumba festival.

No.52 I'M STILL WAITING – Sum 41. The Toronto punksters who ripped it up during their tour earlier this year release their first single from the new album **Does This Look Infected**. This is their second highest ARIANet chart position after the top 30 hit **In Too Deep** which became their breakthrough radio hit.

No.72 SLACKER – Tech N9ne. **Tech N9ne** is a US rapper dubbed the Kansas City lyrical sniper. Although this is the first time **Tech N9ne** has been seen on the ARIANet charts, he has been toiling away for ten years with four albums under his belt and a large following in the states. **Tech N9ne** has worked with artists such as **Eminem**, **D12** and **Tupac** as well as a who's who of rap and hip hop producers.

No.82 I'M STILL HERE – John Rzeznik. **John Rzeznik** is the frontman for multi platinum US act **The Goo Goo Dolls**. **I'm Still Here** is the first of two songs **Rzeznik** wrote for the soundtrack to the new Disney film **Treasure Planet** and is reportedly accompanied by a groundbreaking music video.

ALBUMS - After five weeks as a bridesmaid and fourteen weeks in the top 5, **Avril Lavigne** finally makes it to #1 with her debut album **Let Go**. Four acts have now hit #1 with their debut singles and albums this century including **Avril**. They have been **Shakira** (though some could argue she has had an extensive career overseas before her English language success), **Bob The Builder** (ha!) and **Popstars Bardot**. Others in this group have included **Silverchair**, **Aqua**, **Hanson** and mullet man **Billy Ray Cyrus**. The bullet performer this week goes to the **Red Hot Chili Peppers** who have moved up six places to #6 while **Elvis Presley** has ventured back into the top 10 after a two week absence.

No.12 STEAL THIS ALBUM – System Of A Down. Those whacky masters of melodic metal, bounce their way into the #12 position this week with **Steal This Album**. Featuring tracks whose roots go back as far as before the group signed their 1995 contract with American Records, and as recent as the 2001 **Toxicity** sessions, this CD has been described as a bridge between **Toxicity** & their next album. **System Of A Down** put themselves on the mainstream map last year with their second album, **Toxicity** (which went 2 x Platinum, and reached a high point of #11), and featured the single that put them on the mainstream radio, **Chop Suey**.

No.23 LONG WAY TO THE TOP – LIVE – Various. Recorded during the **Long Way To The Top** concert tour (in conjunction with the popular ABC series of the same name), earlier this year, this double CD features some of Australia's legendary rock 'n' roll icons like, **Billy Thorpe & The Aztecs**, **Col Joye**, **Marcia Hines**, and **Normie Rowe**, re-living a plethora of Oz rock moments.

No.42 CHARMBRACELET – Mariah Carey. Born the daughter of a former opera singer and vocal coach, there's no guessing where **Mariah** inherited those golden vocal chords from. With three of **Mariah's** past albums debuting at #1, **Charmbracelet** has made a less than impressive debut in the ARIANet charts this week. The first single from **Charmbracelet**, **Through The Rain** debuted at #15 last month on the ARIANet singles chart. **Charmbracelet** is the first venture of **Carey's** own label, **MonarC Music**.

No.51 BETTER DAYZ – 2Pac. **Better Dayz** is the fifth **2Pac** album to be released since that fateful day back in September of 1996, when **2Pac** was shot and killed, by an unknown gunman. **2Pac** was featured in a list of the world's highest earning deceased celebrities in the year of 2001. After selling 2.7 million copies of the US #1 double-album **'Until The End Of Time'**, **2Pac** was 10th earning an impressive \$7 million.

No.83 UNDER CONSTRUCTION – Missy Elliott. **Missy "Misdemeanour" Elliott's** fourth album, **Under Construction** struts into the ARIANet albums chart this week, debuting at #83. This time around, **Missy** has enlisted the help of **Method Man**, **Jay Z**, **Ludacris**, & **Beyonce**, to help her do what she does best... **Get hUr Freak On** (sorry). **Missy's** current single **Work It** is currently #37 on the ARIANet singles chart.
